PACE BENE
TRADITIONAL UNDERGRADUATE STUDENT AWARD

To recognize students whose words and actions exemplify the mission of the University.

In 1209 Francis of Assisi passed through the village of Poggio Bustone in the Rieti Valley. The area was rugged and remote, as were the people. The villagers were very curious to see who this seemingly strange person was. With a smile on his face, he gave them the simple greeting of "Buon giorno, buono genti, " which translated, is "Good morning, good people." One person responded that no one had ever called them good. With a few simple words, Francis melted away their rugged exterior.

The recipient of this award is a person who, through his or her everyday words and actions, recognizes the goodness and dignity of every human person, no matter how "rugged" or different. The award consists of a monetary gift of $100, with an additional $100 also donated to the student's favorite charity. The charity selected by the student should be consistent with the mission and heritage of Cardinal Stritch University.

The award is selected on the basis of the following criteria:

- A senior who graduated in December 2012 or will achieve graduating status in May or August 2013.
- Must be nominated by faculty, staff, or student. Self-nominations are accepted with a letter of recommendation.
- Incorporates the mission of the University into their personal spiritual and faith life.
- Actively expresses their faith in daily life.
- Recognizes the goodness in others and displays this in how they approach people.
- Contributed to the spiritual or faith life on campus.

Deadline: Must be received by Noon on Tuesday, April 2nd.
