CARDINAL STRITCH UNIVERSITY

Federal Direct PLUS Loan

What is a PLUS Loan?

Parental Loans for Undergraduate Students (PLUS) are low interest loans to parents of dependent, undergraduate students. They are available to help pay the cost of attending post-secondary schools. PLUS loans are obtained from and guaranteed by the U.S. Department of Education.

There are no annual or aggregate limits in the Federal PLUS loan program. However, the annual amount a parent borrows cannot exceed the student's cost of attendance minus any other aid the student is eligible for. Interest is charged on Direct PLUS Loans during all periods, beginning on the date of your loan's first disbursement. To find out more information on interest rates for Direct PLUS Loans, please visit <https://studentaid.gov/app/launchPLUS.action>.

In addition to interest, you pay a loan origination fee that is a percentage of the principal amount of each Direct PLUS Loan that you receive. The fee is deducted before you receive any loan money, so the loan amount you actually receive will be less than the amount you have to repay. Repayment of a PLUS loan begins within 60 days after the final loan disbursement for the period of enrollment unless you choose to defer repayment while your child is still enrolled at least half time in college. Loans in deferment still accrue interest. For additional information on repayment of a Direct PLUS loan, please visit <https://studentaid.gov/understand-aid/types/loans/plus/parent>.

How do I apply for a PLUS Loan?

1. Visit the www.studentaid.gov site
2. Click on the "Log In" button. Log in using your (the parent) FSA (Federal Student Aid) ID and username. If you do not have a verified FSA ID click the "Create an FSA ID" link and follow the directions. After you are logged in you will be able to complete the PLUS request process. When you apply for a Direct PLUS Loan, your credit history will be checked. To be eligible for a PLUS Loan, you must not have an adverse credit history. If you are found to have an adverse credit history, you may still borrow a PLUS Loan if you get an endorser who does not have an adverse credit history. An endorser is someone who agrees to repay the Direct PLUS Loan if you do not repay the loan. The endorser may not be the student on whose behalf a parent obtains a Direct PLUS Loan.
3. If you are approved, complete the electronic PLUS Loan Master Promissory Note (MPN)*.
4. If you are not approved, Stritch will be notified. Your student may become eligible for additional Federal Unsubsidized Direct Loans.
5. Return the **PLUS Loan Request and Authorization Form** to the Cardinal Stritch University Financial Aid Office.

* The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the Department. It also explains the terms and conditions of your loan(s). This MPN for the PLUS Loan will be the only one required for up to 10 years. However, there are certain instances when a new MPN may be required (contact the Financial Aid Office with questions). A separate MPN is required for each student on whose behalf a parent is borrowing (a parent with two students in college will need to complete two separate PLUS MPNs). Cardinal Stritch University requires a new **PLUS Loan Request and Authorization Form** completed each year.
