

The College of Arts and Sciences is one of four distinct colleges at Cardinal Stritch University. In this college, our mission is to educate the whole person and promote lifelong learning by integrating the liberal arts with the Franciscan tradition. We provide the means for students to acquire skills, knowledge, perspectives, and aesthetic appreciation so they can think critically and engage responsibly in their personal lives and professional and global communities.

**Dean of the
College of Arts and Sciences**

Dr. Daniel J. Scholz

CORE CURRICULUM

The CORE Curriculum has three main goals:

- Acquisition of knowledge (what students know)
- Cultivation of intellectual and practical skills (what students are able to do)
- Demonstration of personal and social responsibilities (what students are committed to)

Advanced CORE Certificates

These certificates allow students to explore an area of interest. Each certificate teaches to the learning outcomes of Franciscan heritage and values with local and global community engagement.

- **Arts and Cultural Awareness:** Engaging in the study of art, dance, language, song, theater, and writing, students will immerse themselves in a landscape of intercultural experiences.
- **Digital Citizenship:** This certificate focuses on the creation of a caring community in the digital age, through an exploration of universal digital access, literacy, rights, security, and etiquette.
- **Diversity Studies:** Students will explore issues of diversity, including those of culture, race, ethnicity, gender, and sexuality, in the United States and throughout the world.
- **Energy and Sustainability:** Students will develop an awareness of the human impact on nature and learn the importance of responsible stewardship of the Earth's resources.
- **Inter-America Studies:** This certificate helps students to understand the Americas and advance peacemaking between individuals, communities, and nations.
- **Interfaith Studies:** Focusing on both dialogue and conflict this interdisciplinary certificate examines historical and contemporary interfaith issues and includes experiential learning opportunities.
- **Health and Wellness:** Students will explore the concept of mindfulness as it relates to personal health and wellness, creativity and the vitality of communities of people.
- **Peace and Justice Studies:** This certificate explores issues of peacemaking through the lens of social justice and social change.
