

**CARDINAL STRITCH UNIVERSITY  
COLLEGE OF BUSINESS AND MANAGEMENT LEARNING OUTCOMES  
UNDERGRADUATE BUSINESS PROGRAMS COMPARISON WITH OTHER ACBSP  
SEPTEMBER 2014 -SEPTEMBER 2016**

The table above provides a representation of how Cardinal Stritch University nontraditional undergraduate students performed on an outbound program assessment as compared to other schools accredited by the Accreditation Council of Business Schools and Programs (ACBSP). The assessment measures the student knowledge level in the core professional components as determined by ACBSP. Overall, the College of Business and Management performs above the average of the ACBSP Region 4 comparison groups in the areas of Accounting, Business Ethics, Business Finance, Business Integration and Strategic Management, Business Leadership, Economics, Global Dimensions of Business, Information Management, Legal Environment and Management.
