

The College of Education and Leadership is one of four distinct colleges at Cardinal Stritch University. In this college, we have a reputation in Wisconsin of excellence in teacher development, leadership development, literacy and language development, and civic engagement. With a commitment to social justice we offer a variety of degree programs as well as neighborhood projects within all facets of community.

In our attempt to understand the diversity of issues in the urban, suburban and rural communities, we have built relationships with stakeholders within the communities, and have constructed a vision that supports growth and sustainability.
