

**CARDINAL STRITCH UNIVERSITY
COLLEGE OF BUSINESS AND MANAGEMENT LEARNING OUTCOMES
COMPARISON WITH OTHER ACBSP MASTER'S BUSINESS PROGRAMS
SEPTEMBER 2014 - SEPTEMBER 2016**

The table above provides a representation of Cardinal Stritch University graduate students performed on an outbound program assessment as compared to other schools accredited by the Accreditation Council of Business Schools and Programs (ACBSP). The assessment measures the student knowledge level in the core professional components as determined by ACBSP. Overall, the College of Business and Management performs comparable to better than comparison groups in all areas and performs above average in Business Integration and Strategic Management, Business Leadership, Information Management Systems, Management and Quantitative Research Techniques.
